Contact Support	Check out License	Offline License Program Updates	Support expires 10/31/2023
		Download Version 5.0R3	
		(build July 31, 2023)	
Check for updates	every 7 Days 🗘		
Automatically down	lload updates		
Download Folder	C:\Users\billj\Downl	oads .	
			Į.

Note: that the Setup_OS3DE_*.exe file is being saved to the \Downloads folder. This location can be changed. We recommend leaving it as the current Default location.

- 3. Close the OS3DE software program.
- 4. Goto the .\Downloads folder and Execute Setup_OS3DE_*.exe
- Tag and Agree to the License Agreement
- [Next]
- **DO NOT CHANGE** the tag from Update to a Newer Version

[Next]

- This is the location where the updated files are going to be installed. The install Wizard should be picking up the last location of where OS3DE was launched/accessed from. You should not need to change the path.
